Trainer Information

Joanne Haws (RN MSc) is a registered nurse who held a variety of roles within the UK NHS before setting up in business as an independent consultant in 2010. Joanne is the Clinical Director of Learn With Nurses, a Community Interest Company providing online clinical education that is accessible to healthcare professionals globally. She is past Chair of the Nurses and Allied Health Professionals Special Interest Group of The British and Irish Hypertension Society and has authored many publications in the nursing and cardiology press both in the UK and internationally. She sits on the Editorial Board of Practice Nurse Journal and is a regular features contributor. Joanne is a Non-Executive Director of the National Association of Primary Care (NAPC) and is a facilitator on the CARE programme. She has been a Specialist Advisor to the Care Quality Commission since 2014.

To book a place/s email

bookings@networkforpractices.co.uk

Our acceptance of your booking brings into existence a legally binding contract between us on the following **Terms & Conditions** - If places are booked but cancelled before payment has been made or a candidate DNAs, the fee will remain due. Cancellations will attract a refund if the course is subsequently fully booked. To avoid any confusion, we ask that **Cancellations are by email only**. We will make every effort to resell the cancelled place. Where places are free a £45 charge will be applied to cancellations/DNAs. Payment is required within 30 days from date of invoice.

Heart Failure Update

Date: 23rd April 2026
Times: 0930-1300
Venue: Zoom Online Platform
Places available: 12
Fee/s: NfP Members £65 / Non-Members £110

This workshop is suitable for: Nurses & similarly Registered HCPs.

Heart failure is a complex and life-limiting condition that places a significant burden on patients, families, and healthcare systems. Effective care requires not only a strong grasp of the underlying pathophysiology but also an understanding of current guidelines, diagnostic pathways, and treatment strategies.

Learning outcomes:

- To appreciate the burden of heart failure
- To be familiar with the pathophysiology of heart failure
- To be familiar with related policy and guidelines
- To be familiar with the diagnostic pathway and investigations
- To be familiar with and evaluate treatment options
- To recognise the importance of effective End of Life care

Content:

- What is the impact of heart failure
- Recap on heart failure –HFREF, HFPEF & HFmrEF?
- What do the guidelines say?
- Diagnosing heart failure
- Managing heart failure: pharmacological and lifestyle
- Monitoring and recognising deterioration
- End of life care

“Jo was brilliant and so accommodating, I really valued the session”

“Jo was fab, thank you”

“The basics were covered, and it wasn’t assumed everyone was at an advanced level, which was great for me”
