This workshop is suitable for: Care Navigators and Reception Staff

Introduction:

Amidst ongoing changes within the healthcare sector, delivering a service that not only meets but exceeds patient expectations has never been more essential. Your ability to effectively signpost and communicate with patients is crucial to their experience. This workshop is designed to equip you with the skills and confidence needed to consistently provide exceptional service within your Practice, regardless of the evolving landscape.

Aim:

To enhance your customer service delivery for all your patients

Outcomes:

By the end of this session participants will have:

- Identified what excellence looks like for your practice
- Reflected on patient expectations and identified strategies to foster a culture of continual improvement within your Practice
- Increased your confidence and sensitivity when assessing patients' needs and developed an excellence mindset
- Appreciated the significance of active listening and effective questioning techniques as foundational skills for delivering an excellent service
- Analysed real-life scenarios and developed strategies for handling them with greater assurance in the future
- Recognised your contribution to enhancing the overall patient journey
- Explored your responsibilities as a proactive member of a high-performing team
- Created a tailored, action plan to implement in your daily work and considered your next steps

In order to ensure everyone experiences the optimum learning environment, we require candidates to join with a working microphone and camera. If the computer does not have a microphone, or headset, candidates can join on their phones also (just turn off the audio on the computer to avoid feedback).
